WHAT YOU'LL DO

- Lead the annual budget and monthly forecast process for operating departments.
- Prepare monthly variance analysis and commentary for site and corporate leadership.
- Coach department leads on cost ownership and budget accountability.

WHAT WE OFFER

We offer a competitive salary and a work culture dedicated to safety, diversity and inclusion, and career growth. You'll also have plenty of opportunities to build your professional network, and we make sure there's lots of fun along the way.

WHY THOMPSON

Often referred to as the "Hub of the North," Thompson is a city deeply intertwined with the mining industry, particularly due to its rich deposits of nickel. Exiro Nickel's presence in Thompson includes significant mining and milling operations that extract and process nickel ore from the surrounding deposits. These operations are central to Thompson's economy, providing employment and supporting local businesses. The company's ongoing investments in the region highlight Thompson's importance in our broader operational strategy to improve life and transform the future.

INCLUDE TO TRANSFORM

We welcome diverse perspectives and are committed to a workplace where people are treated fairly, all cultures are respected, and everyone can contribute. Accommodation is available throughout the recruitment process for applicants with disabilities. Please let us know what you need when contacted.
